ADVANTAGE EQUIPMENT LEASING. IT'S THE SMART WAY TO START.

When opening or growing your franchise, Silver Chef gives you the advantage. Now you can get the equipment you need to launch your business without having to worry about any upfront costs.

HOW IT WORKS:

In a new business, cash flow is king. To give you the best start, Silver Chef Advantage® offers a four-year equipment finance lease. This gives you the ability to start operating immediately, without the pressures of a large upfront payment.

Silver Chef is the leader in hospitality equipment leasing. Here's why:

- More options, more flexibility and less risk.
- Added flexibility to pay out and exit your contract at any time.
- Low weekly repayments

Speak to one of our franchise specialists to understand if Advantage Leasing is right for your business.
